Pal TX Multi-Purpose Sanitising Wipes

Description

Pal TX Multi-Purpose Sanitising Wipes are ready to use wipes for professional use, designed to hygienically clean the sensitive surfaces of offices, visual display units (VDUs), gym equipment and personal protective equipment.

Pal TX Multi-Purpose Sanitising Wipes are proven to kill most micro organisms such as bacteria, fungi, yeasts & viruses. The wipes have been independently tested to a range of EN standards.
